October 2019 Progress Conversations

Our first round of Progress Conversations will be on Tuesday, October 15th from 4:00-7:00pm in advance of our first report card.

For this round of Progress Conversations, grade 5 and grade 6 students should schedule appointment times with their homeroom teacher.

Grade 7 and grade 8 students may schedule appointments with any of their subject teachers.

However, please be cognizant when booking appointments that there are only 18 ten-minute time slots available during the evening for each teacher. In an effort to ensure teachers are able to see as many parents/guardians as possible, please only book appointments online with teachers you feel are most important for you to meet with at this time.

Once you are at the school and if you see open time slots with a teacher you did not book with online that you would like to speak to, you may add your name to the appointment listing at that time.

A time for your progress conversation should be scheduled through online scheduling using the Powerschool Parent Portal (see information on the back of this page).

Please bring your child with you to the Progress Conversations. Our goal is to have students become more involved in their learning through understanding their own strengths, challenges and next steps.

If there are specific concerns that you would like to discuss in depth, please contact the classroom/subject teacher at any time.

Thank you,

Mr. E. Harvie
Principal
