Dear Parent/Guardians:

RE: Grades 5 & 6 Progress Conversations – Thursday October 22nd: 4:00 – 8:10pm

Focused discussions between caregivers, students, and teachers are key to overall student success. Please take the time to read through what the plan will be for the evening of the 22nd:

- Parents of grade 5 students – please refer to the PURPLE letter that was sent home with your child in regards to how to create a parent account. Please keep this login information going forward as you will be accessing the portal throughout your child's school years in ISD.
- The PowerSchool parent portal will be used as the primary way for families with a **child in grades 5 & 6** to sign up for a meeting time with your **child's homeroom teacher**. **Families also have the option to book a time with their child's music or PE teacher if they wish to do so.**
- If you are having issues with your account or wish to book over the phone, please call the office.
- **A link to the parent portal can be found on our school website: <https://escs.interlakesd.ca/>**
- The system is currently activated and ready to go – feel free to login to book your time(s).
- **Only 1 family will be scheduled per meeting with the teacher.**
- The meeting slots will run from **4:00** till **8:10** with each meeting lasting 10 minutes.
- It is important we all stick to this time limit as when a meeting goes long it affects many others. In an effort to better manage the time that evening, we have scheduled in 3 – 10 minute "buffer" slots to allow teachers time to stay on schedule, use the washroom, etc.
- The focus of the meeting will look slightly different depending on the teacher. In some situations, the conversation will be focused on learning goals and progress made to date. In others the conversation will be focused on strengths, challenges, and next steps or an overview of how the school year has gone in the first 7 weeks. With **report cards being sent home on December 18th**, this will be an opportunity to get more of an informal update on how well your child is doing academically, behaviorally, and socially.
- If you are unable to meet on this evening, please make arrangements with your child's teacher(s) to have a conversation about how school is going.

*If you wish to speak with a member of our **student support team** (Ms. Trombo, Ms. Good, Mr. Ward, Ms. Darragh, Mr. Levesque, Mr. Lee) please connect with them through email or phone to set up a time.*

Please contact the school office if you have any questions/concerns.

Yours in education,

Tim Lee
